Pyramid Log Cabins

Elevate the sophistication of your garden with our hipped roof style log cabins. The distinctive pyramid roof design not only imparts an elegant touch but also features generous eaves overhang, providing both protection and an enhanced aesthetic appeal. If desired, the overhang can be extended further, creating a charming canopy-covered area, perfect for outdoor relaxation.

These cabins are designed with taller walls, contributing to a spacious interior. The vaulted ceiling adds to the overall sense of airiness, creating an inviting and stylish retreat within your garden. Experience the perfect blend of aesthetics and functionality with our hipped roof style log cabins.
